

Gareth Coltman

Head of European Product Management

MarketAxess

Gareth Coltman joined MarketAxess in 2014 as Head of European Product Management and is responsible for the strategy, development and enhancement of MarketAxess' European trading platform. Mr. Coltman was most recently Head of Product Management with Algomi, where he helped drive the firm's product strategy in conjunction with both buy- and sell-side clients. Prior to this, Mr. Coltman was with ICAP from 2007 to 2012 where he held various roles including COO of BlockCross and Business Manager for European Credit. From 2002 to 2007, Mr. Coltman was with Reuters, most recently managing the development of the firm's electronic trading data products. Mr. Coltman graduated with honours from the University of Birmingham with a BSc in Computer Science and Software Engineering.
