

Sandy White

Product Manager for Emerging Markets and High Yield

Sandy White is the Product Manager for Emerging Markets and High Yield at MarketAxess. He is responsible for product development and strategy, supporting MarketAxess' network of institutional clients and dealers across a full suite of High Yield and Emerging Market products.

Mr. White joined MarketAxess in 2001 after eight years at J.P. Morgan, where he was Vice President High Yield sales and one of the original architects of J.P. Morgan's High Yield sales and trading business. Prior to J.P. Morgan, Mr. White was at Salomon Brothers for nine years in a similar role. Mr. White has also held positions at Citicorp Industrial Credit and Bank of New York.

Mr. White holds a Bachelor of Arts in Economics from Harvard University.
