#### Dealer Transaction Fees

Trade Size (000s)	Dealer Transaction Fee (bps)	Note
10,000 & Up	.10	MarketAxess will electronically adjust (i) Dealer's quotes displayed to Users of the MarketAxess MTF and (ii) final spread-based transaction prices, in the amount of the applicable Transaction Fee. For discount margin and yield trades, MarketAxess will assess a minimum fee of the greater of \$10 per trade or \$10 per million. Discount margin trades are subject to a maximum adjustment of 1 basis point, and yield trades are subject to a maximum of 10 basis points.
\$1,000 – 9,999	.20	
\$100 – \$999	.30	
\$1 – \$99	.50	

<sup>1</sup> Dealer will be permitted to perform an unlimited amount of transactions in the referenced product, on the MTF, with no inquiry size limit. This Fee may be satisfied if an affiliate of Dealer has paid an affiliate of MarketAxess a fee of no less than this amount for an unlimited amount of transactions executed in the relevant product on all MarketAxess systems globally in lieu of an execution fee per trade.

<sup>2</sup> For purposes of determining monthly minimum Execution Fees, Execution Fees paid by an affiliate of Dealer for the same product will be aggregated.
